

Washington University in St. Louis

SCHOOL OF MEDICINE

Department of Pathology and Immunology
Division of Laboratory and Genomic Medicine

NOTE TO FILE

Laboratory Reference Ranges

Barnes-Jewish Hospital Laboratories no longer provides a cumulative list of laboratory reference ranges. Current reference ranges are available for staff to download individually and can be found on the Barnes-Jewish Hospital Laboratories website, <http://bjhlab.testcatalog.org>. The date on the range page will serve as the active date for that reference range.

Charles Eby, MD
